GARDEN LIGHT FITTING WITH REPLACEABLE LIGHT SOURCE LAVEN EL 28 SE-GR
36547
KANLUX

IP
44

Kanlux LAVEN is exceptionally elegant outdoor lighting. Those garden lamps are a unique design based on a smoked lampshade connected to the rest of the luminaire with a diagonal rope. Their unique style is emphasised by filament LED light sources - especially in a warm colour. The flange at the base of the Kanlux LAVEN posts makes it easier to fix the lamp in the ground. In the family of those luminaires, there are two posts: 50 and 80 cm, and two wall-mounted luminaires, one of which (SE) has a built-in motion and twilight sensor.

Light output 1

1 x LED			
Nominal lamp power	10 W	LOR	59%
Lamp flux	1520 lm	ULOR	4%
Luminous efficacy	152 lm/W	Total flux	904 lm
CCT	3000 K	Total power	10 W
CRI	80		

Mounting mode

Wall mounted
