CityCharm fluid - Combining visual comfort, performance and dark night preservation The CityCharm range is designed for use in urban areas where comfortable lighting, ambiance and design play an important role. It offers three iconic, timeless designs (cordoba, cone and fluid) and various accessories, enabling you to create a lighting solution that carries your signature, both by day and by night. CityCharm provides high visual comfort while maintaining excellent performance. It offers a choice of two innovative Philips Lighting technologies: GentleBeam, which maximizes visual comfort, or ClearGuide (cordoba and cone only), which optimizes vertical illumination and visual guidance. A variety of dedicated brackets and masts enables you to reshape your residential areas and city centers in the most elegant way imaginable. Further information about GentleBeam and ClearGuide technology can be found in the Product Guide.
