Kast is a brand new wall mounted luminaire with an up and downward light component. Designed as a simple and attractive replacement for conventional wall mounted fittings, Kast is ideal for a wide variety of applications including corridors and stairwells. The steel body is finished in either white or black and the diffusers are made from fire retardant opal polycarbonate. Kast can be mounted vertically as well as horizontally for a different visual aesthetic. Kast range options include integral SMARTSCAN or SmartScan controls and emergency versions are also available.
