Ceos EVO is our premium solution for office lighting. The luminaire housing is manufactured from at least 75% recycled aluminium, Hydro Circal. It is available as standard in white and black finishes and in two lengths. With a range of customization options and an adjustable ratio of indirect to direct light, where certain versions can be individually adjusted, the lighting can be tailored to the needs of different workplaces without compromising on design or functionality. Ceos EVO is available with microprismatic optics or the advanced Brianna lens optics.
