Product data sheet

INDLINE G2 IP23 SPORT XL ASYM DALI CLO
7220013
HIDE-A-LITE

Indline G2 IP23 Sport is a version of Indline G2 IP23 with protective grid, designed for sports hall and other activity areas. With different beam angles and an asymmetrical light pattern, it ensures even and efficient light distribution, perfect for large areas. The luminaire is supplied complete with protective grid and meets ball tests. Like the regular Indline G2 IP23, installation is simple, with push-in terminals on both sides that allow you to install the luminaire without opening it. Available in On/Off or DALI control options. Indline G2 IP23 Sport offers several different mounting methods, such as luminaire rail, solid ceiling, wall or wire. Adjustable ceiling and wall brackets are available as accessories.
