DENT SMALL LED GE 2700K WHITE STRUC

11610009

MODULAR

Art by day, light by night This is the artful luminaire with a playful personality. Looking one way, and then another. Its design is enigmatic, as is the light it provides. Alone on a residential wall, it's minimalistic and beautiful. Together in a large public space, they become an artful lightscape with puzzling lines and angular paths. Dent is an excellent candidate for an art installation that demands contemporary beauty, originality and function.
