

Product data sheet

FLEXBLOX - 8W - WHITE - 4000K - EMERGENCY
EFX081W
THORLUX LIGHTING

IP
40

Flexblox is a slimline, linear downlight with low glare optics that can enliven simple grid layouts. By orientating Flexblox luminaires, creative and innovative lighting designs can be created. Flexblox can be recessed into different ceiling types to produce a minimal aesthetic for a variety of applications. With a choice of three optical reflectors, the luminaire brightness can suit the requirements of the space. Flexblox MultiDrive can save on installation costs whilst increasing flexibility by powering multiple luminaires from one gear box and allowing the wattage to be set on site via the integrated wattage selector.

Light output 1 (emergency)

1 x LED			
Nominal lamp power	8 W	LOR	100%
Lamp flux	1235 lm	Total flux	1235 lm
Luminous efficacy	137 lm/W	Total power	9 W
CCT	4000 K		
CRI	80		

Mounting mode

Ceiling recessed

Shape and measurements

Length: 13.35 in

Width: 2.40 in
