

Product data sheet

HOMESPA MIRRA LED ILLUMINATED MIRROR, RECTANGULAR WITH HEATING FUNCTION IP44 80X60 CM 22W WHITESW. 93013
PAULMANN

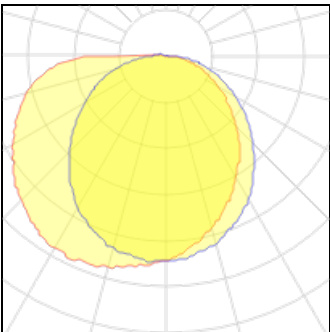

Wake up! Make-up! Relax! Three light colours, three situations throughout the course of the day – synchronised with the course of the sun. Fogged mirrors are a thing of the past with the HomeSpa LED Mirra mirror, because the integrated heating function clears the mirror after a shower. Three different control panels with touch functions are built into the mirror. Touching the On/Off control panel turns the light around the edge of the mirror on and off. Thanks to the WhiteSwitch function, the light colour can be adjusted by touch switch on the mirror according to mood or time of day: Daylight white – Wake up! Neutral white – Make up! Warm white – Relax! The brightness can be individually adjusted using the dimming function. The mirror is ideal for use in bathrooms and wet rooms thanks to its splash protection.

Light output 1

1 x LED			
Nominal lamp power	48 W	LOR	100%
Lamp flux	442 lm	Total flux	442 lm
Luminous efficacy	9 lm/W	Total power	48 W
CCT	4168 K		
CRI	83		

1 x LED			
Nominal lamp power	22 W	LOR	100%
Lamp flux	1 lm	Total flux	1 lm
Luminous efficacy	0 lm/W	Total power	45 W
CCT	4168 K		
CRI	83		

Mounting mode

Wall mounted

Shape and measurements

Length: 31.57 in
Width: 23.66 in
Height: 1.10 in
Weight: 6.14 kg

Adjustability

Fixed

Electric

System power: 45-48 W
Appliance Class: II

Protection

IP: 44
Designation labels: CE

Other operating numbers

Ambient temperature range: 37...44°F

Design

Material impression: Aluminum

Color of housing: Silver gray
