IP 40

Adjustable recessed spotlight with a compact design dedicated to professional lighting projects, designed to achieve maximum performance in the smallest size, equipped with the new Revo optical system with 'Cross-Beam' technology, it allows extraordinary efficiency and precise beam projection. Equipped with a unique 'anti-slot' system designed to avoid the visibility of the void space, allows us to achieve great aesthetic cleanliness and rigorous design in all directions. The Dark family in all its versions stands out for its very high visual comfort and for the Lux / Watt ratio that it manages to deliver while maintaining retrospective illumination factors between wattage/power and dimensions. Available in single square and round versions, it offers a very wide range of optical options, accessories, and multiple configurations.
