FLAT MOON ECLIPS 650 CEILING DOWN LED 3000K GI WHITE STRUC
13362409
MODULAR

IP
20

Enchanting eclips Contemporary architectural projects love a minimalist, slim lighting design. Flat moon is a stylish, reduced height fixture (78 mm) that distributes a soft, yet functional light. Exceptionally versatile, Flat moon can be either surface-mounted, recessed or suspended (with two types of suspension kits for either down or up/down lighter) and even directly mounted and connected onto the gear.
