

# Product data sheet

SWAP SQUARE 7W 4000K N  
A2543212N  
ARKOSLIGHT

Swap is a ceiling recessed LED spotlight whose main features are its minimalist aspect, its perfect integration into the ceiling, and considerable visual comfort, thanks to the small reflector that is set back with respect to the ceiling plane. When it is switched on, its matte finish shade generates an attractive effect, a discrete circle of light. It includes an add-on bezel that can be used optionally to cover larger recess diameters.

## Light output 1

|                    |          |             |        |
