LIGHTRONICS

IP 65 IK 10

MAK CLASSICAL AND FULL OF CHARACTER Classical luminaires do justice to the character of their settings and are the perfect accompaniment for a historic town or village centre. The MAK (Margriet Armatuur Klein) luminaire (street or yard lighting) is the GAM's baby sister. This strong likeness makes it possible to combine the two luminaires to create a characterful look in a specific setting. The MAK is an impact-resistant (IK10) and waterproof (IP65) pendant luminaire and suitable for lighting in town centres, shopping centres, residential areas and public squares.

Light output 1

1 x L2WG4-FFDA-LCO-350mA

Nominal lamp power	38 W	LOR	87%
Lamp flux	4860 lm	Total flux	4215 lm
Luminous efficacy	128 lm/W	Total power	38 W
CCT	3000 K		
CRI	99		

Mounting mode

Pendant

Shape and measurements

Height: 3.94 in
Diameter: 19.69 in

Adjustability

Fixed

Design

Material impression: Aluminum
Color of housing: Black

Electric

System power: 38 W

Protection

IP: 65
IK: 10
