

Product data sheet

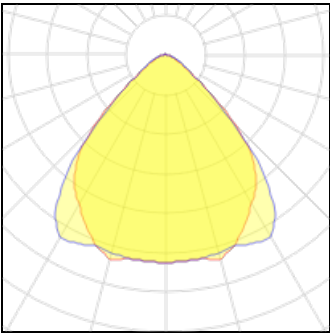

VISIO PRO - 228W - 1400MM - AREA BROAD
VP228MAB
THORLUX LIGHTING

IP
66

The Visio Pro is rated IP66 and provides up to 54,830 lumens. The high IP rating, IK rating and excellent thermal performance make it perfect for arduous environments. Available with four distribution options offering solutions for a range of mounting heights, spaces and applications. Extremely long life extends maintenance intervals. A low profile design coupled with external installation points and flying lead allow for fast installation. SMARTSCAN versions have a unique sensor that can be optimised for use up to 18m, maintaining excellent occupancy detection. SmartScan "wireless" versions eliminate the requirement for control cabling often associated with retro-fit installations. Applications: Cold stores, general industrial areas, manufacturing, leisure centres, high level racking aisles, food manufacturing

Light output 1

| | | | |
|--------------------|----------|-------------|----------|
| 1 x LED | | | |
| Nominal lamp power | 228 W | LOR | 100% |
| Lamp flux | 33465 lm | Total flux | 33465 lm |
| Luminous efficacy | 141 lm/W | Total power | 238 W |
| CCT | 4000 K | | |
| CRI | 80 | | |

Mounting mode

Ceiling mounted, Pendant

Shape and measurements

Length: 51.61 in
Width: 8.94 in
Height: 1.77 in

Adjustability

Fixed

Electric

System power: 238 W

Protection

IP: 66
