DOHA is a series of wallwasher widely used in retail shops and shopping malls. Its design follows the trend of luminaires miniaturization, resulting in a small size that can achieve higher wattage. There are 2 sizes of luminaires with cut-out of Ø75mm and Ø95mm. The Ø75mm version can be 15W and 24W, the Ø95mm can be 35W. Honeycomb louver is available if extra glare reduction is requested.
