IP 20

Simple linear lights for a particularly elegant look. The IN-LINE linear luminaires form a unit in the 48V track system that only brings out the best: High-quality light in various lumen levels, lengths and colour temperatures, now also in 4,000 K. To integrate ambient lighting into modern interior design, there is a choice between fixed and swivelling versions as well as opal optics or darklight reflectors, which ensure perfect glare control and create a pleasant room atmosphere.
