FLUXWERX ILLUMINATION

Fold is a high performance indoor, linear suspended luminaire with a pure organic form and luminous open interior. Its anidolic optical system supports a multitude of applications via 5 distributions from 100 Down to 65 Up | 35 Down as well as independently controlled hemispheres. This also allows wider spacing – up to 4m on centre – and fewer luminaires. Available in discrete 1.2m (4ft), 1.8m (6ft) or 2.4m (8ft) lengths, as well as continuous rows, completed by a choice of 4 endcap styles – Arch, Oblique, Shade or Slant.
